Round 3

1. Center: 6 Army Star blocks

Assemble 6 Army Stars into 3 rows of 2 squares

2. Round 1: 6-inch wide border with Diamond-in-the-Square block in each corner

- a. Cut three strips of fabric 2 inches wide of one fabric and 3½ inches wide of the second fabric. Specific lengths for each strip are indicated in the pattern and depend on whether it is for the left/right side or top/bottom side of the round.
- b. Attach the left/right strip sections to the quilt top first.
- c. Attach corner blocks to the top/bottom strips.
- d. Attach the top/bottom strips to the quilt top.

3. Round 2: 18 Army Star blocks

- a. Assemble 2 rows of 4 squares and 2 rows of 5 squares.
- b. Attach the rows of 4 squares to the left and right sides of the quilt top.
- c. Attach the rows of 5 squares to the top and bottom sides of the quilt top.

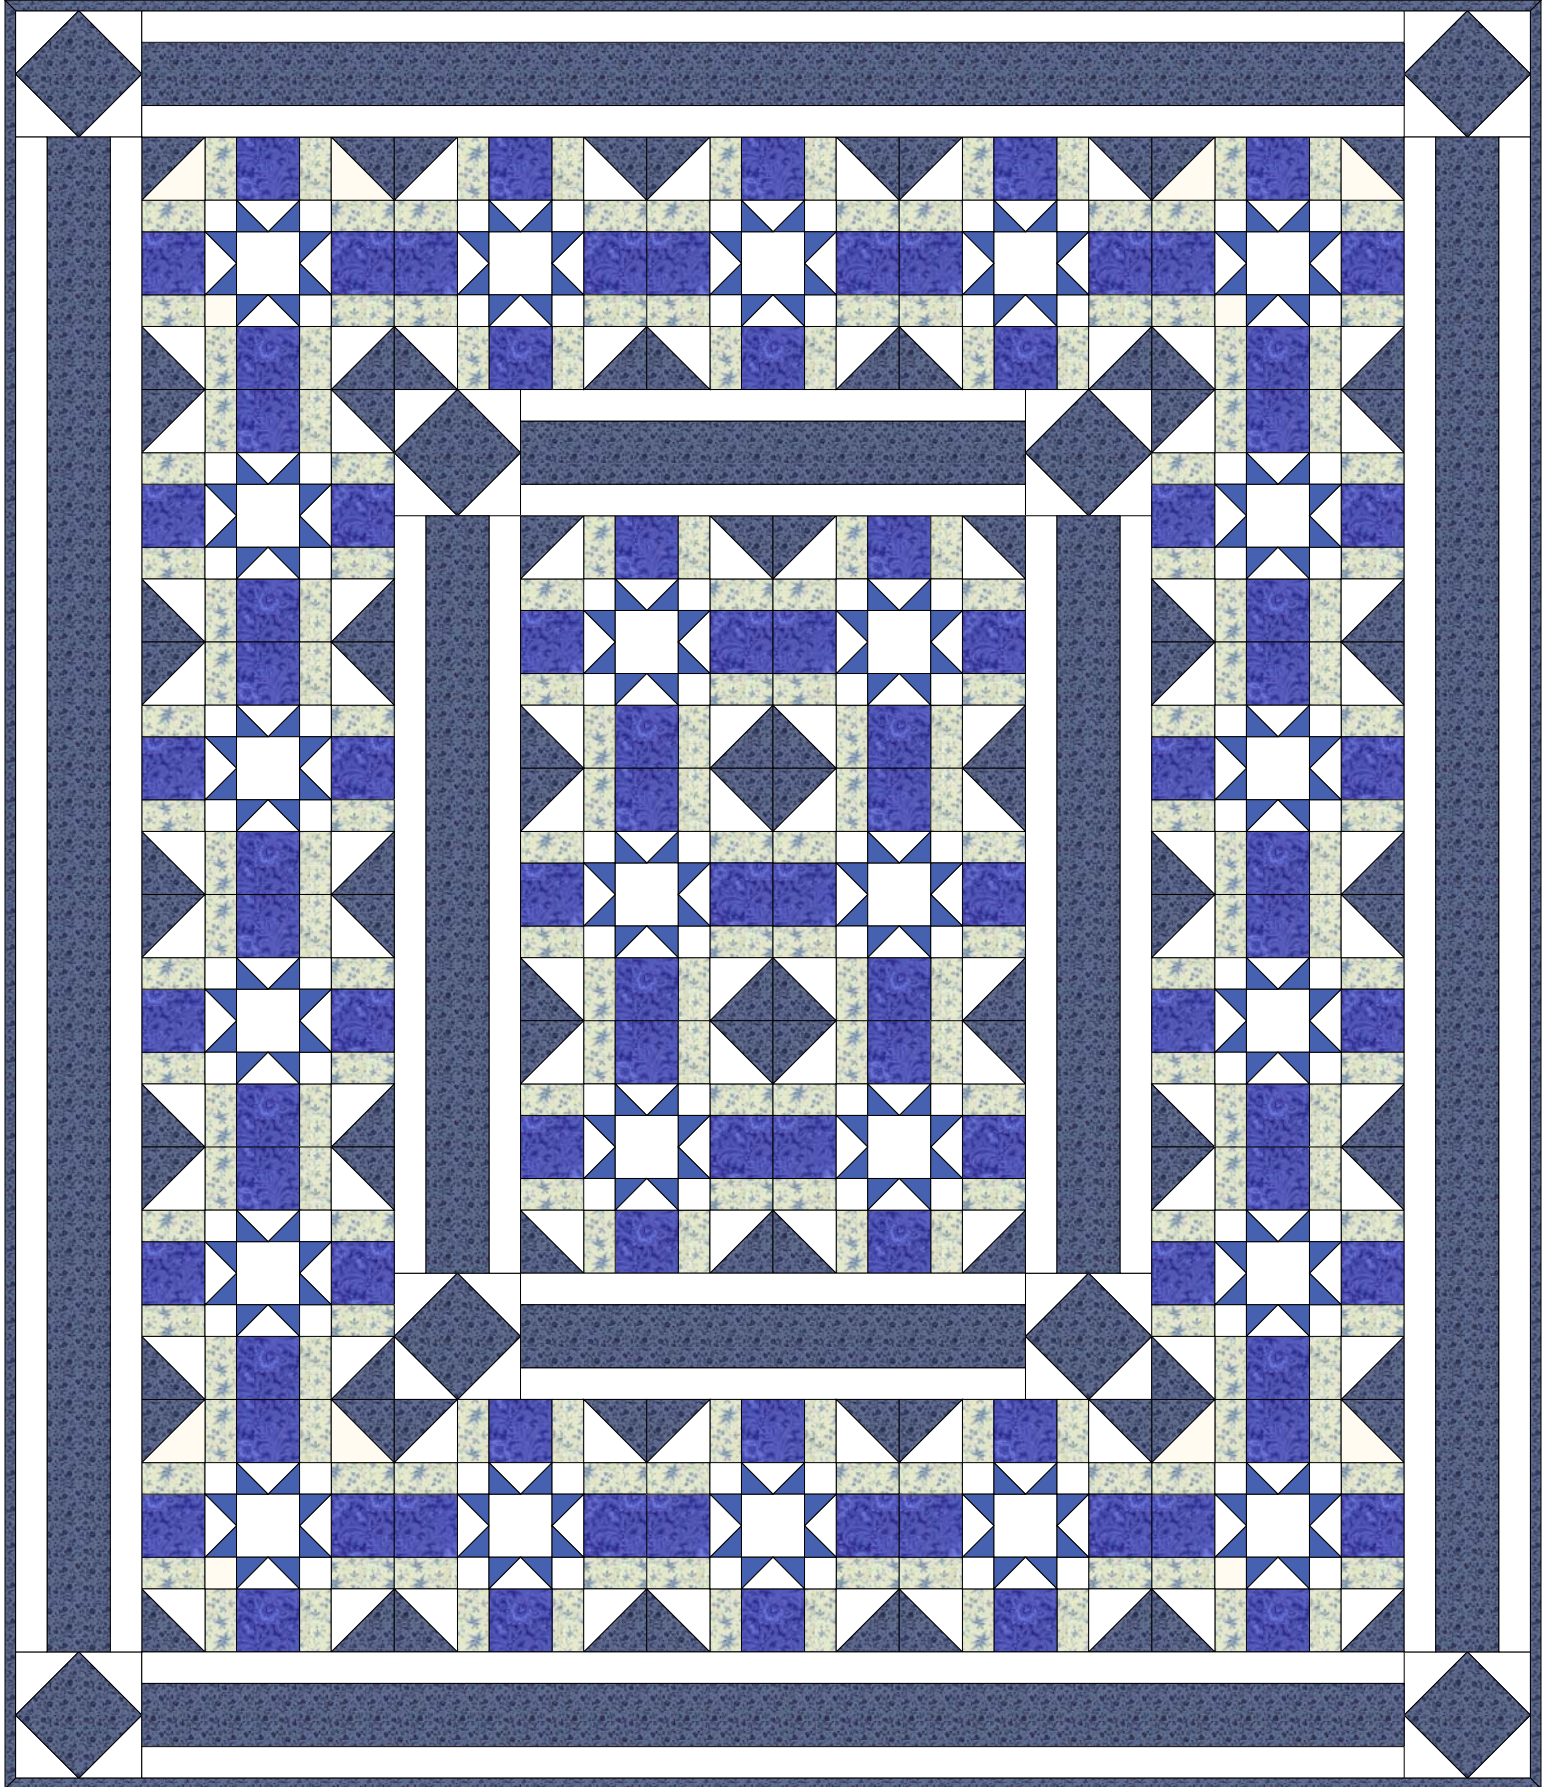

4. Round 3: 6-inch wide border with Diamond-in-the-Square block in each corner

- a. Cut three strips of fabric 2 inches wide of one fabric and 3½ inches wide of the second fabric. Specific lengths for each strip are indicated in the pattern and depend on whether it is for the left/right side or top/bottom side of the round.
- b. Attach the left/right strip sections to the quilt top first.
- c. Attach corner blocks to the top/bottom strips.
- d. Attach the top/bottom strips to the quilt top.

Note: This method of assembling the quilt top is conducive to the quilt-as-you go method of quilt assembling. You can add the batting and backing to each round as you go. Quilt that round then proceed with the next round.
